WELCOME TO NUSTONE

For over 22 years, Nustone has been helping homeowners, landscapers, and trade professionals across the UK create timeless outdoor spaces. Over the years, the brand has continued to grow, inspire, and win the trust of customers nationwide, becoming one of the most respected names in natural stone and porcelain paving.

At Nustone, we own every step of the journey, from ethical sourcing of raw materials to precision manufacturing, global logistics, and doorstep delivery across the UK. This complete control ensures uncompromised quality, consistency, and value in everything we supply.

We're proud members of the British Association of Landscape Industries (BALI), upholding the highest standards of product excellence, service, and sustainability. Every stone we deliver reflects our unwavering commitment to durability, ethics, and enduring beauty.

Because at Nustone, we believe a great patio isn't just built, it's crafted with care, integrity, and passion. Every slab we ship, every design we inspire, and every project we support echoes our promise of Better Patios, Better Prices – a vision that continues to shape beautiful outdoor spaces across the nation.

About Us

THE HOME OF NUSTONE

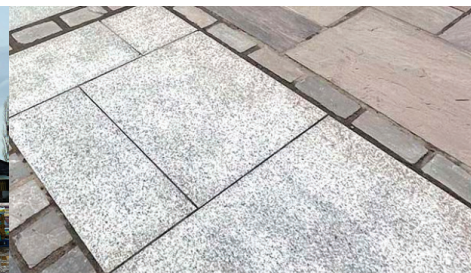

OUR COLCHESTER HEADQUARTERS

Located in Marks Tey, Colchester, our flagship site is the beating heart of Nustone – bringing together our corporate office, customer service centre, warehouse, yard, and showroom all under one roof. From this central hub, our team manages every step of the customer journey – from inventory and logistics to sales, support, and nationwide delivery – ensuring every order reflects the quality, care, and reliability Nustone is known for.

EXPLORE OUR SHOWROOM

Discover the full Nustone range in person at our Colchester outdoor showroom. Explore an extensive display of paving collections to see and feel the true texture, colour, and finish of each material. Our friendly experts are on hand to guide you through options, help with material selection, arrange free samples, and provide tailored quotes or trade advice.

We look forward to welcoming you to Nustone Colchester where every great patio begins.

WHY CHOOSE NUSTONE?

UNMATCHED QUALITY & CRAFTSMANSHIP

Every product is crafted with precision and care, using the finest natural stone and porcelain materials. Our rigorous quality control ensures every slab meets the highest standards of strength, finish, and beauty.

DIRECT FROM SOURCE

We control every step from sourcing and manufacturing to delivery, eliminating middlemen to offer our customers exceptional value without compromise.

PRICE MATCH PROMISE

We believe quality paving should be accessible to all. If you find the same product elsewhere for less, we'll match it – simple, transparent, and fair.

FLEXIBLE FINANCE WITH Payl8r

Transform your garden today and spread the cost over up to 24 months with our Payl8r finance option. (Credit subject to status and affordability.)

NATIONWIDE DELIVERY

From Cornwall to Scotland, our dedicated logistics network ensures reliable, fast, and safe delivery right to your doorstep across the UK.

FREE SAMPLES FOR CONFIDENCE

Choosing the perfect paving starts with seeing it in your own space. Order free samples to experience the texture, colour, and finish before you buy.

TRUSTED BY PROFESSIONALS

For over two decades, Nustone has been the supplier of choice for thousands of landscapers, architects, and homeowners who trust our products to stand the test of time.

SUSTAINABLE BY DESIGN

From responsible quarrying to eco-conscious packaging and transport, we're committed to building beautiful spaces without compromising the planet.

TRADE & DISCOUNTS

PARTNER WITH NUSTONE. BUILD BETTER, EARN MORE.

Nustone has proudly supported the UK landscaping and building community for over two decades. Through our exclusive Trade Membership, professionals enjoy access to discounted pricing, dedicated support, and fast nationwide delivery – helping you quote confidently and deliver outstanding results for every client.

WHY JOIN OUR TRADE PROGRAM

- Exclusive Discounts – Preferential trade pricing across all paving, decking, and landscaping products.
- Priority Support – Direct line to our customer service and logistics teams for faster responses.
- Reliable Supply – Consistent stock levels backed by our own manufacturing and import network.
- Free Samples – Access to complimentary product samples to help you secure client approvals.
- Nationwide Delivery – Fast, affordable, and trackable deliveries across the UK.
- Marketing Support – Collaborative opportunities for landscapers and designers to be featured in Nustone campaigns
- Typical trade savings range from 5%–15% depending on product and volume.

WHO IT'S FOR

* Landscapers * Garden Designers * Builders* Contractors* Architects

HOW TO JOIN

Joining is simple and free. Apply online at  nustone.co.uk/trade or contact our Trade Team directly at **01206 700 599** or **support@nustone.co.uk**

PRICE MATCH PROMISE

BETTER PATIOS. BETTER PRICES. GUARANTEED.

At Nustone, we believe premium quality shouldn't come with a premium price tag.

Our **Price Match Promise** ensures you'll never pay more than you should for the same high-quality paving, decking, or landscaping products.

If you find an identical item offered by another UK supplier at a lower price, we'll match it - simple, transparent, and fair.

HOW IT WORKS

- Find a Lower Price – If you discover a cheaper like-for-like product elsewhere, share the details with our team.
- We Verify – Our team confirms the match based on product specifications, finish, and delivery terms.
- We Match It – Once verified, we'll match the total price - ensuring you get the best deal possible without compromising quality or service.

WHY IT MATTERS

- Transparent pricing you can trust.
- Confidence when quoting for clients.
- Reinforces our commitment to long-term value, not just one-off sales.

HOW TO CLAIM

Simply contact us at support@nustone.co.uk or call 01206 700 599 with your quote or product link - our team will handle the rest.

You can also submit your request directly at nustone.co.uk/price-match-promise

DELIVERY & LOGISTICS

DOORSTEP DELIVERY WITH CARE, REACH, AND RELIABILITY

When you order from Nustone, we don't just send the stones – we deliver the promise of service. Our dedicated trucks and logistics network ensures your order is handled end-to-end, securely transported, and delivered to your doorstep across the UK. We coordinate precise scheduling, transport protection, and real-time updates, so your paving, decking, furniture or accessories arrive safely and on time – letting you focus on the build, not the haul.

WHAT YOU GET

- **Nationwide Coverage** — From London to Scotland, we ship widely with full delivery support.
- **Order Tracking & Alerts** — Stay informed from dispatch to delivery.
- **Professional Unloading** — Trained drivers ensure crates are safely offloaded at site.
- **Damage Protection** — Crates are double-wrapped, palletised, and handled to minimise risk.
- **Flexible Scheduling** — Delivery slots that adapt to your project timeline.

SANDSTONE PAVING

Natural Character. Enduring Warmth.

Sandstone is prized for its organic texture, warm tones, and timeless appeal. Our Indian Sandstone range offers beautiful variation in grain and hue, giving each slab unique character while maintaining structural reliability. All Nustone sandstone paving is approximately 22 mm thickness when calibrated and finished for outdoor use.

- **Kandla Grey** – Cool grey tones with versatile applications in modern or traditional settings.
- **Autumn Brown** – Earthy warm hues that blend naturally into garden landscapes.
- **Raj Green** – Subtle green-grey tones for balanced and natural aesthetics.
- **Fossil Mint** – Gentle mint tones with fossil detailing adding visual richness.
- **Rippon Buff** – Blended buff, stone gold, and cream tones for gentle colour drama.
- **Rainbow Sandstone** – Soft mixed hues, ideal for creating natural colour variation.
- **Ivory Sandstone** – Light ivory-cream surfaces for elegant bright patios.
- **Sawn Mint** – A calibrated, smooth finish version of the Fossil / Mint colour line.
- **Oxford Buff** – Rich buff tones, useful for softer, warm outdoor areas.

Finishes / Textures Available

- **Riven** – Hand-split natural texture, perfect for rustic & traditional designs.
- **Tumbled** – Slightly smoothed and aged edges for softer character.
- **Sawn & Honed / Calibrated** – Even, flat surface with minimal texture, for clean modern styles.

Ideal For

Patios · Courtyards · Garden Paths · Driveways · Outdoor Entertaining Areas

Our Full Range

PORCELAIN PAVING

Modern Design. Lasting Performance.

Porcelain paving combines contemporary design with long-term durability. Each tile is precision-engineered for strength, colour consistency and easy upkeep – ideal for sleek, low-maintenance outdoor spaces.

All porcelain paving is outdoor-grade, weather-resistant, and backed by a 10-year residential warranty for lasting confidence and peace of mind.

Spec at a glance: 20 mm Outdoor Grade · R11 Non-Slip · Low Porosity

- **Kandla Grey** – Cool, contemporary tones with subtle stone texture.
- **Valencia Grey** – Sophisticated mid-grey, crisp and architectural.
- **Silver Grey** – Minimalist neutral for clean, modern layouts.
- **White** – Bright, light-reflective surface that opens up space.
- **Nero** – Deep charcoal for bold contrast and definition.
- **Quartzite** – Layered stone-effect texture with natural depth.
- **Mountain White** – Pale grey-white blend with gentle warmth.
- **Ivory** – Soft beige neutrality; classic and versatile.
- **Golden Dune** – Sand-toned warmth with subtle movement.
- **Ash Haze** – Cool ash-grey with realistic stone pattern.
- **Charcoal Haze** – Dark grey variation that adds drama.

Surface Appearance

- **Matt** (standard outdoor finish)
- **Stone-Effect** (realistic natural-stone visuals)

Ideal For

Patios · Pool Surrounds · Terraces · Outdoor Kitchens · Balconies · Pathways

LIMESTONE PAVING

Subtle Sophistication. Naturally Durable.

Limestone paving is loved for its refined surface, cool tones, and timeless strength. Its smooth yet lightly textured finish brings understated elegance to patios, pathways, and garden areas. Available in a range of contemporary and classic shades, limestone creates a cohesive look that suits both traditional and modern homes. Naturally dense and hard-wearing, it stands up beautifully to the elements while maintaining its charm over time, making it a smart, stylish choice for any outdoor project.

All Nustone limestone paving is 22 mm calibrated and crafted for long-lasting performance in patios, pathways, and garden landscapes.

- **Kotah Black** – Deep charcoal tones with consistent colour and texture for a bold, modern finish.
- **Grey Indian Limestone** – Elegant mid-grey surface with understated texture that suits any design.
- **Yellow Indian Limestone** – Warm golden shade that adds brightness and natural warmth to outdoor spaces.

Finishes / Textures Available

- **Lightly Riven** – Hand-split natural surface for authentic, traditional charm.
- **Tumbled** – Softened edges and aged character for a rustic, weathered look.

Ideal For

Patios · Pathways · Courtyards · Driveways · Garden Seating Areas

GRANITE PAVING

Strength Meets Elegance

Granite paving is the benchmark for strength, style, and long-lasting performance. Quarried from premium sources and precision-cut for consistency, it offers a sleek, contemporary finish that instantly elevates any outdoor space. Its natural sparkle and subtle tonal variations create a sense of depth and sophistication, while the stone's exceptional resistance to weathering, fading, and staining makes it a practical choice for homeowners and professionals alike. Whether you're designing a modern patio, statement pathway, or luxury outdoor living area, granite delivers enduring beauty with minimal maintenance.

Each slab is calibrated to 20 mm thickness and features a lightly flamed, slip-resistant surface - perfect for patios, paths, and outdoor entertaining spaces.

- **Silver Grey Granite** – Elegant light-grey tone with fine silver speckle, perfect for modern patios.
- **Blue Black Granite** – Deep blue-black shade that provides bold contrast and timeless sophistication.
- **Black Granite** – Striking dark surface with consistent texture for clean, contemporary designs.
- **Pink Granite** – Warm pink-grey blend that adds subtle colour and individuality to outdoor spaces.

Surface Appearance

- **Flamed / Textured Surface** – Provides natural anti-slip performance and modern appearance.
- **Tumbled** – Softened edges and a naturally worn, rustic look.
- **Sawn & Calibrated** – Smooth edges and even thickness for precise installation and seamless joins.

Ideal For

Patios · Driveways · Pathways · Pool Surrounds · Steps & Edging

SLATE PAVING

Distinct Texture. Natural Drama.

Slate paving captures the essence of nature's artistry, offering rich colour variations, striking surface textures, and an unmistakable sense of depth. Formed over centuries, each slab tells its own story through beautifully layered patterns and subtle tonal shifts, creating a surface that's both elegant and full of character. The natural sheen of the slate paving adds sophistication to any garden, courtyard, or terrace, blending effortlessly with both classic and contemporary designs. Durable, dense, and naturally slip-resistant, Nustone's slate paving brings an element of natural drama and timeless appeal to outdoor spaces.

All slate paving is calibrated to 20–22 mm thickness and crafted for long-lasting outdoor performance.

- **Brazilian Black Slate** – Deep black surface with subtle sheen and fine, natural riven texture.
- **Blue Black Slate** – Smooth, consistent blue-grey tone offering contemporary elegance.
- **Rustic Copper Slate** – Stunning blend of copper, gold, and bronze hues for a warm, dramatic finish.

Finishes / Textures Available

- **Riven Surface** – Natural split finish showcasing slate's organic layering.
- **Sawn & Calibrated** – Smooth underside and even thickness for easy installation.

Ideal For

Patios · Pathways · Courtyards · Garden Steps · Feature Areas

COMPOSITE DECKING & FENCING

Sleek. Sustainable. Built to Last.

Nustone's composite collection redefines outdoor living with products that combine cutting-edge design, environmental responsibility, and enduring strength. Crafted to replicate the warmth and texture of natural timber, our decking and fencing boards deliver a clean, contemporary look that enhances any garden or patio. They're easy to install, available in a range of modern colours and finishes, and built to maintain their beauty year after year without sanding, staining, or sealing.

Made from a blend of recycled wood fibres and high-grade polymers, our decking and fencing boards are engineered to resist warping, splintering, and fading, delivering the look of natural wood with none of the upkeep.

All composite products are eco-friendly, weather-resistant, and backed by a 10-year residential warranty for lasting performance and peace of mind.

- **Composite Decking Boards** – Authentic wood grain texture with fade-resistant finish for a timeless, natural look.
- **Composite Fencing Panels** – Sleek modular panels that add privacy, structure, and modern appeal to outdoor spaces.

Surface Appearance

- **Wood Grain Finish** – Realistic wood texture with premium anti-slip coating.
- **Grooved Finish** – Clean, linear design for contemporary installations.
- **Dual-Sided Boards** – Two finish options on each board for versatile styling.

Ideal For

Decking Areas · Garden Boundaries · Outdoor Lounges · Patios · Pool Surrounds

GARDEN FURNITURE

Comfort. Craftsmanship. Contemporary Design.

Transform your outdoor space into a true extension of your home with Nustone's premium garden furniture collection. Each piece is thoughtfully designed to balance comfort, style, and resilience, from contemporary dining sets and modular lounges to statement chairs that elevate any patio or terrace. Built for real living, our furniture combines modern design with practical durability, creating spaces that feel inviting and effortlessly refined. Crafted using weather-resistant materials and treated fabrics, each set combines elegant aesthetics with lasting performance for all-season enjoyment.

- **Rattan Dining Sets** – Elegant multi-seat arrangements ideal for family dining and entertaining.
- **Rattan Sofa Sets** – Deep-cushioned comfort with modular flexibility for custom layouts.
- **Bistro Sets** – Compact and chic two-seater options, perfect for patios and balconies.
- **Sun Loungers & Daybeds** – Sleek, reclining comfort for relaxation and pool-side settings.

Finishes / Textures Available

- **Weatherproof Rattan** – UV- and rain-resistant weave for long-lasting durability.
- **Powder-Coated Aluminium Frames** – Lightweight strength with rust protection.
- **Cushion Fabrics** – Quick-dry, fade-resistant, and easy to clean.

Ideal For

Patios · Decks · Pool Areas · Balconies · Outdoor Dining & Lounge Spaces

FIREPLACES & PATIO HEATERS

Sleek. Sustainable. Built to Last.

Create a welcoming atmosphere year-round with Nustone's exclusive collection of bioethanol fireplaces and patio heaters. Designed to complement contemporary outdoor spaces, these pieces bring the comfort of indoor living outdoors, transforming patios, terraces, and garden lounges into inviting, all-season retreats. Each model is meticulously crafted with premium materials, sleek finishes, and thoughtful detailing that add both function and style to your space.

Fuelled by clean-burning bioethanol, our fireplaces offer an eco-friendly, smoke-free, and odourless alternative to traditional wood or gas systems. They're easy to light, require no installation, and produce minimal emissions, making them perfect for both residential and commercial settings. Enjoy the gentle warmth and ambient glow of a real flame – no smoke, no odour, and no mess.

- **Bioethanol Fireplaces** – Clean-burning outdoor heaters offering warmth without emissions.
- **Freestanding Patio Heaters** – Portable and stylish designs suited to any garden layout.
- **Fire Tables** – Modern centrepieces that blend heat, style, and social connection.

Finishes / Materials Available

- **Powder-Coated Steel** – Sleek, contemporary finish with excellent weather resistance.
- **Tempered Glass Panels** – Safe and elegant framing for unobstructed flame views.
- **Stainless Steel Burners** – Precision-crafted for clean, efficient combustion.

Ideal For

Patios · Terraces · Balconies · Outdoor Dining · Lounge Areas

PLANTERS

Style Meets Function. Designed to Last.

Add structure, greenery, and timeless appeal to any outdoor space with Nustone's premium planter collection. Thoughtfully designed to complement both modern and traditional settings, each piece brings balance and visual interest to patios, balconies, terraces, and garden landscapes. The clean lines and refined finishes make them perfect for framing entrances, defining seating areas, or showcasing statement plants.

Crafted from high-quality fibreglass, our planters combine the elegance of natural stone or ceramic with the practical advantages of being lightweight, durable, and weather-resistant. Built for year-round use, they retain their finish and strength through every season, delivering lasting beauty and functionality without compromise.

- **Fibre-glass Garden Planters (various shapes & sizes)** — clean, modern lines suitable for any outdoor space.
- **Large Outdoor Planters** — bold statement pieces for patios or entryways.
- **Terracotta & Ceramic Style Pots (fibreglass finish)** — design that mimics traditional materials with modern durability.

Finishes / Textures Available

- **Fibreglass Exterior** — weather-resistant, fade-proof, and crack-resistant.
- **Stone / Terracotta Effect** — textured surfaces designed to emulate natural materials.
- **Built-in Drainage & Pots Insertable** — functional design for healthy planting.

Ideal For

Patios · Terraces · Entranceways · Balconies · Garden Beds

PAVING ESSENTIALS

Everything You Need, All in One Place

Every great patio deserves the right finishing touch. Nustone's range of paving essentials is designed to help you build, protect, and maintain your outdoor space with confidence. From jointing compounds that create seamless finishes to advanced sealants that guard against weathering, staining, and wear, each product in our range has been developed to make installation easier and long-term maintenance effortless.

Whether you're a trade professional or enhancing your own garden, our high-quality primers, grouts, and cleaners are formulated to deliver lasting results. Each product complements our natural stone and porcelain paving, ensuring strength, durability, and a polished look that stands the test of time, keeping your patio as beautiful as the day it was laid.

- **Aggregates** – Premium silica sand and decorative chippings for bedding and joints.
- **Jointing Compounds** – Easy-to-apply polymeric mix that locks pavers firmly and prevents weed growth.
- **Paving Cleaners** – Mild yet powerful formulas to remove grime, algae, and surface stains safely.
- **Paving Sealers** – Breathable seal coats that enhance colour and protect against water ingress, moss, and efflorescence.
- **Priming Slurry** – Bonding primer that ensures background preparation for strong adhesion.
- **Accessories & Tools** – Spacers, brushes, expansion jointing materials, and installation tools for precision results.

Ideal For

New installations · Repairs & Maintenance · Colour Refresh · Surface Protection

SUSTAINABILITY & QUALITY COMMITMENT

Every Nustone product begins with a promise – to deliver lasting quality while respecting the people and places behind it. We ensure that every stone is ethically sourced, responsibly produced, and built for durability. From quarry to doorstep, our materials undergo rigorous quality checks to meet the highest industry standards. At our Colchester headquarters, we continuously refine our packaging, transport, and recycling practices to reduce waste and environmental impact, ensuring a more sustainable future for our industry and our customers alike.

Our Commitment in Action

- **Ethical Sourcing** – We strictly follow fair labour, safety, and environmental standards.
- **Responsible Manufacturing** – Modern facilities that minimise waste, water use, and emissions.
- **Longevity by Design** – Durable products that reduce replacement cycles and long-term environmental cost.
- **Local Impact** – Supporting jobs and partnerships that strengthen the UK's landscaping and building trade.

OUR PROMISE

With every order, you're not just choosing premium quality – you're choosing integrity, responsibility, and a product made to stand the test of time.

COMMUNITY & CARE

Building More Than Patios. Building Hope.

At Nustone, we believe great businesses don't just build beautiful spaces – they help build better communities.

Through our Community Support Initiative, we contribute to meaningful local projects that make outdoor living safer, more inclusive, and more inspiring for everyone.

From supporting accessibility renovations and school gardens to small community-driven outdoor improvements, our goal is simple – to lend our materials, expertise, and heart where they can create real and lasting change.

If you're part of a project or cause that could benefit from our support, we encourage you to reach out. Every request is reviewed with genuine care and attention, ensuring our efforts make a difference where they're needed most.

TO APPLY FOR SUPPORT:

Email: **support@nustone.co.uk**

Include a detailed summary of your project, its cause, and how our contribution could help bring it to life.

Please Note:

Requests are assessed at Nustone's sole discretion and subject to our internal criteria, stock availability, and approval process.

While we aim to support as many causes as possible, participation in this initiative is not guaranteed and may vary by project scope and timing.

LET'S BUILD YOUR NEXT PROJECT **TOGETHER**

Better Patios. Better Prices.

Whether you're a homeowner, landscaper, or trade professional, Nustone is here to help you design and build beautiful outdoor spaces that last a lifetime.
